### **AMERICAN JET INTERNATIONAL ADDS THIRD LEAR JET 60 TO FLEET**

**HOUSTON, TEXAS October 16, 2017** – American Jet International dba Million Air Charter, a member of the award-winning private aviation Million Air FBO Company based in Houston, TX, is pleased to announce the addition of a third Lear Jet 60 XR to its fleet of business aircraft.

“We are receiving a lot of request from new and existing aircraft owners looking for the professional advice and experience in aircraft management solutions that only American Jet International can offer,” said Les Preston, Executive Vice President of Charter Operations for American Jet Intl.

These private aircraft are ideal for business or leisure travel from Houston to Aspen or Houston to the Miami due to its fuel efficiency, aerodynamics, speed and comfort. The Lear Jet is a favorite jet of choice because it is one of the fastest in its class. The Learjet 60XR is a workhorse in the industry and great for taking to either coast of Central America/Caribbean. Features of the cabins include leather seats, refreshment galley, lighting, seat controls and cabin storage. The cabin accommodates up to six passengers.

“Jet owners are moving to us because they want value, experience and trust,” said Anthony Ethridge, Vice President of Business Development. “Our number one source of business is referrals and that comes only when you’re doing things right. This is not a hobby for us, this is a highly technical and expensive piece of equipment that deserves experienced attention to detail so our clients experience safe, cost effective and impeccable service. You have to experience it because no one does it better than us and that is why we are excited about the future.”

American Jet International Corporation, dba Million Air Charter manages a wide range of aircraft types that are available for private charter and other aircraft types can also be obtained through Million Airs extensive qualified operator network including: Global 5000, Gulfstream G550, Gulfstream GV, Gulfstream G450, Gulfstream GIV-SP, Gulfstream GIV, Falcon 900EX, Falcon 2000, Challenger 604, Challenger 601-3A, Challenger 601-3R, Challenger 300, Gulfstream G200, Citation XLS, Hawker 900XP, Hawker 800XP, Hawker 800SP, Learjet 45, Learjet 55, Learjet 60, Learjet 31A, Citation VII, Citation X, Citation Mustang, Citation Sovereign, Citation XLS, Citation CJ3, Cessna Citation SII, Beechjet Hawker 400XP, King Air 200, King Air 350, King Air 250, Pilatus PC 12, Piaggio P180 Avanti.

“Our growth is fantastic and it stems from the impeccable team of “Rock Stars” we have put together,” said Roger Woolsey, CEO of Million Air.
